

Figure HED-19**Race and ethnicity of U.S. population ages 20–34 and S&E award recipients, by degree level: 2021****Note(s):**

Data are based on institutions eligible to participate in Title IV federal financial aid programs. Certificates include only awards of less than 2 academic years below the associate's degree level. Doctoral degree programs include research doctoral degree programs only and do not include professional doctoral programs (e.g., Doctor of Medicine). Hispanic or Latino may be any race; race categories exclude Hispanic origin. Data about the race and ethnicity of S&E award recipients represent U.S. citizens and permanent residents only. Award recipients with unknown race and ethnicity are not included.
